Supervisors Approve Rancho Cucamonga Library Funding

San Bernardino -The Board of Supervisors has approved an agreement with the City of Rancho Cucamonga for the County to contribute \$300,000 towards the construction of the Rancho Cucamonga City Library at the new Victoria Gardens Cultural Center.

The funds were approved November 30, 2004, as part of a larger funding package shepherded by Second District Supervisor Paul Biane. Supervisor Biane has been a strong advocate for bringing resources back to the Second District and has helped to implement many city and county projects as his priorities.

"I am honored to help make this large contribution from the County for the construction of the Victoria Gardens Cultural Center's library," said Supervisor Biane. "An additional library will really enhance the quality of life, as well as bringing about a wonderful new cultural resource to Rancho Cucamonga."

The library will be located at 11505 Cultural Center Drive when the construction is complete.
